

## Links

The ARPAnet taught us that when going from A to B it's important to track all of the twists and turns.

- 1. A grievance
- 2. Remember
- 3. Utterly defeat
- 4. Practical; unpretentious
- 5. Locally sourced
- 6. Completely; entirely
- 7. Intimate
- 8. The best

| B | Н   | U | R          | U | F | N          | L           | 0               | N          |
|---|-----|---|------------|---|---|------------|-------------|-----------------|------------|
| F | G   | E | Ι          | Z | S | Υ          | D           | $\vec{\exists}$ | 0          |
